Chair Oliver Beckwith welcomed everyone to the meeting and mentioned the odd cycle of meetings and that we will be meeting again in a couple of weeks. He also mentioned that there will be AP Summer Events that will need approval through SCC.

The minutes from the March 17, 2016 meeting were reviewed and the following items were brought to the committees' attention:

- Page 1, B, third line: delete the words "quite" and "bit" so it now reads: *there was a discussion over the amount*
- Page 2, first paragraph, fourth line: insert the word "the" between "for" and "entire" so it now reads: *continued training for the entire English department*
- Page 2, first paragraph, eighth line: insert the word "are" between "that" and "being" so it now reads: *options for training that are being presented for funding*
- Page 2, Old Business, line 2: insert a "s" at the end of the word "minute" so it now reads: *motioned to approve the minutes*
- Page 2, New Business, lines two and three: delete the quote marks around the words critical area of need and oversight so it now reads: *identifying the three critical areas of needs and we are an oversight body, as long as there is progress*
