Gate Funds/Block Grant (approval):

J. Lashier was not present, Catherine Merel presented us with the Gate funds handout. It appeared that there were items needing discussion and approval. The funds requested by AP chemistry teachers are for an American Chemical Society competition. Participation in this annual event helps prepare students to take the AP chem exam. A similar request was made by T. Jones for a Biology exam taken by fewer students. Discussion was also held regarding the need to keep some funds available for the teachers requiring training for revamped AP courses.
