Dear Parents and Students,

Our school year is off to a great start! We are already making progress in our journey to personalize instruction for each and every student.

Please plan to join us for one hour on the evening of September 19<sup>th</sup> for our Back to School Night. We are excited to share with you all the innovative and exciting things that are happening at Rancho Learning Center.

As you know, we have embarked on a very exciting school year. Each day we are challenging ourselves and our students to **Imagine, Inquire, and Inspire!**

**Back to School Night**  
Tuesday, September 19<sup>th</sup>  
6:30 - 7:30 pm

Room 102/103 at the Rancho Learning Center  
150 S. Third Avenue, Arcadia

We have a new outdoor classroom space that our students are already enjoying. Our Basketball/Pickleball Sport court was recently completed, and our Garden will be raised by the end of the month! This year, you will find us focusing on personalized education, including both direct and indirect instruction and hybrid alternatives for your student. Students now have many options! We hope that you will schedule this evening to meet your child's teachers and learn more about the opportunities at our school.

We look forward to seeing each of you on September 19<sup>th</sup>!

Sincerely,

Rancho Learning Center Staff
